COMMUNICATION

Applicants submit herewith this Communication in the above-referenced patent application.

Following receipt of the Notice of Allowance in the above-identified application, an inspection of PAIR revealed that the Patent Term Adjustment ("PTA") had preliminarily been calculated as 645 days. Applicants note that in this calculation no delay appears to have been attributed in connection with Applicants' March 12, 2008 IDS filing. Applicants noted this point in a conversation with Officer Freeze at the USPTO Office of Legal Administration who stated that the PTA calculation was likely incorrect in view of the March 12, 2008 IDS filing. Officer Freeze requested that Applicants file this paper regarding the preliminary determination of patent term adjustment. Accordingly, Applicants respectfully request review of the determination of patent term adjustment under 35 U.S.C. §154(b) in view of the Information Disclosure Statement considered on March 12, 2008.

Applicants respectfully request that the address of inventor **Victoria M. Richon** be amended as follows:

**Victoria M. Richon
5 Wareland Road
Wellesley, MA 02481
United States of America**

Applicants believe no additional fees are due with the filing of this Communication. However, if any additional fees are required, Applicants hereby authorize the Commissioner to charge such fee, or credit any overpayment in fees, to Deposit Account No. **50-0311**; Customer Number **35437**; Reference Number: **24852-501 CIP2**.

Respectfully submitted,

Dated: May 29, 2008
